

CURRICULUM VITAE

Name	DAINIUS
Surname	RAZUKEVIČIUS
Title	DDS, PhD
Date of birth	28/08/1974
Nationality	Lithuanian
E-mail	dainius@drdainiusrazukevicius.com
Web site	www.drdainiusrazukevicius.com www.kicklinika.lt

PRESENT POSITIONS:

Oral and maxillofacial surgeon at Kaunas Implantology Center

Founder and CEO at Kaunas Implantology Center

PROFESSIONAL SPECIALIZATION FIELDS

Bone reconstruction and Implantation, Temporomandibular Joint (TMJ) surgery, orthognathic surgery, reconstructive surgery and oral rehabilitation.

PROFESSIONAL MEMBERSHIP

Member and representative in Lithuania of the International Association of Oral and Maxillofacial Surgeons.

Member of the European Association for Cranio-Maxillo-Facial Surgery.

Member of the Lithuanian Association of Maxillofacial Surgeons.

Member of the International Team for Implantology (ITI).

Member of Baltic Osseointegration Academy (BOA)

Member of Lithuanian Dental Chamber

LANGUAGES

Lithuanian – native

English – fluent

Russian – fluent

EDUCATION

- 2005 PhD degree at Kaunas Medical University for defending theses on the Diagnostics of Mandibular Angle Fractures, their Clinical Peculiarities and the Effectiveness of Treatment.
- 2002-2005 PhD study at Kaunas Medical University
- 2000-2002 third-cycle residency in Cranio-Maxillofacial Surgery at Kaunas Medical University
- 1998-2000 secondary residency in Oral surgery at Kaunas Medical University
- 1997-1998 Intern primary residency in Kaunas Kalnieciai Clinic
- 1992-1997 Faculty of Stomatology, Kaunas Medical University

CONGRESSES AND COURSES

- 05-10-2015/08-10-2015** Arthroscopic and Open Temporomandibular Joint Surgery course (Prof. Dr. Gerhard Undt), held by S.O.R.G. (Strasbourg Osteosynthesis Research Group) in cooperation with the Hospital for Cranio-Maxillofacial and Oral Surgery and Medical University of Vienna.
- 11-2014** Larry Wolford (USA) TMJ Course, Hospital Universitario La Paz of Madrid, Spain
- 24-04-2014/26-04-2014** ITI International Team for Implantology World Symposium 2014. Geneva, Switzerland.
- 04-11-2013/05-11-2013** Courses "Arthroscopic and Open Temporomandibular Joint Surgery". China.
- 12-05-2013/19-05-2013** Courses "Arthroscopic and Open Temporomandibular Joint Surgery". China.
- 30-01-2013/01-02-2013** Master Course in Esthetic Implant Dentistry /D. Buser, U. Belser/ Switzerland.
- 27-08-2012/01-09-2012** 10th World Congress on sleep apnea "Updates on Ronchopathy and Sleep Respiratory Disorders". Rome, Italy.
- 08-07-2012/21-07-2012** Courses "Arthroscopic and Open Temporomandibular Joint Surgery". China.
- 08-10-2011/11-10-2011** Courses "Arthroscopic and Open Temporomandibular Joint Surgery – Basic and New Horizons". Vienna, Austria.
- 24-08-2011** Straumann seminar "Effective use of membranes". Barcelona, Spain.
- 20-05-2010/22-05-2010** 7th Congress of the Baltic Association of Maxillofacial and Plastic Surgery. Riga, Latvia.

15-05-2010/16-05-2010 Course "Appearance, Orthodontics and Esthetic concepts in Orthodontics". St. Petersburg, Russia.

14-04-2010/17-04-2010 ITI World symposium and course on the topic "Soft tissue management and conditioning around implants in the esthetic zone". Geneva, Switzerland.

15-03-2010/20-03-2010 Conference "Hareaus days in Egypt". Sharm el Sheikh, Egypt.

13-01-2010/15-01-2010 "Master's Course in GBR and Sinus Grafting Procedures." Prof. Daniel Buser, Chairman. Faculty of Oral surgery and Dentistry, University of Bern. Switzerland.

29-10-2009/30-10-2009 "Bone augmentation and Soft Tissue Plastics". Prof. Dr. F. Khoury.

10-04-2008/12-04-2008 International conference focusing on specialization and professional advancement "Etiopathogenesis, Morphology and Diagnosis of Cranio-Maxillofacial Surgery and Oral Surgery. Differential Diagnosis and Surgical Treatment of Congenital and Acquired Maxillofacial and Occlusal Defects." Warsaw, Poland.

28-11-2008/29-11-2008 BioHorizons Symposium of Asia and the Pacific Ocean regions. Bangkok, Thailand.

29-03-2007/31-03-2007 "The Third Eastern European Congress of Dental Implantation." Lvov, Ukraine.

11-05-2006 "Ukrainian Conference on Implantology. Osseointegration." Kiev, Ukraine.

03-09-2004/04-09-2004 "Treatment of Congenital Facial Anomalies: Nonunion of the Lip." Riga, Latvia.

AWARDS

2013 The Best Publication Award according to Lithuanian Dental Chamber Board Resolution. Razukevičius, D., Jankauskas, G; Why do not work block anesthesia in the mandible? // Clinical knowledge Dental Chamber Publication 2013.

2004 J. Šimanovskis' Award for the article Damage of Inferior Alveolar Nerve in Mandible Fracture Cases.

2002 The Best Lecturer Award. Faculty of Dentistry, Kaunas Medical University.

INVITED FOR FUTURE EVENTS

28-11-2015 Quintessence congress Implantology and bone deficiency. Methods and solutions.

LECTURES

09-10-2015 The Society of Dentists annual scientific conference „Odontology in the 21st century - what is the direction“, presentation „How do we understand TMJ in the 21st century?“

15-08-2015 Presentation in International congress „Aesthetics, endodontics and implantation today“, Bishkek, Kyrgyzstan.

29-05-2015 International Congress of the Odontologists' Chamber of the Republic of Lithuania „Prevention and rehabilitation of oral diseases“. Presentation „Modern Approach to Temporomandibular Joint Surgical Treatment“. Druskininkai, Lithuania.

09-05-2015 Lithuanian Dental Orthopedic Society, International Conference “Preventing Complication in Dental Orthopedics”. Presentation “Surgeon approach to temporomandibular joint surgical treatment”.

22-10-2014/24-10-2014 II International dentist Congress of Belarus. Presentation „Temporomandibular Joint Dysfunction“. Minsk, Belarus.

11-10-2014 Presentation "Old New Challenges and Approach to the Temporomandibular Joint Therapy". Panevezys, Lithuania.

13-09-2014 Conference "Clinical aspects of physical therapist practice". Lecture together with doctor A. Auskalnis "Temporomandibular Joint Dysfunction". Kaunas, Lithuania.

30-29 2015 International Congress of the Odontologists Chamber of the Republic of Lithuania „Prevention and rehabilitation of oral diseases“. Presentation „Modern Approach to Temporomandibular Joint Surgical Treatment“. Druskininkai, Lithuania.

09-05-2015 Lithuanian Dental Orthopedic Society International Conference “Preventing Complication in Dental Orthopedics”. Presentation “Surgeon Approach to Temporomandibular Joint Surgical Treatment”. Lithuania.

06-09-2014 BOA Conference "Innovations in Implantology 2014". Presentation "Implantation and Lateralisation of Inferior Alveolar Nerve". Kaunas, Lithuania.

20-06-2014/21-06-2014 Courses "What every dentist should know about temporomandibular disorders? Facts and illusions". Vilnius, Lithuania.

16-04-2014 Conference "OSAS diagnosis and treatment: a broader approach". Presentation on "Oral and Maxillofacial Surgeon role in the treatment of OSAS. Orthognathic operations principles". Lithuania.

04-04-2014/ 05-04-2014 Annual conference "Innovations and Issues in Dental Practice". Lecture "Old-new Approach to Temporomandibular Joint Surgical Treatment". Palanga, Lithuania.

01-03-2014 Seminar organized by Lithuanian Dental Chamber territorial Klaipeda division. Lecture with doctor A. Auškalnis " Temporomandibular Joint Treatment Protocol. When does conservative treatment can help, when surgical intervention is needed?". Klaipeda, Lithuania.

07-12-2013 Annual Dental Conference "How to Ensure Success in Clinical Practice: Complex Treatment Steps". Presentation "Bone reconstruction in implantology". Riga, Latvia.

13-12-2013 Conference of Lithuanian Orthodontists Union. Presentation "New approach to the temporomandibular joint". Kaunas, Lithuania.

30-11-2013 Conference organized by Lithuanian Dental Chamber territorial Kaunas division "Important issues in dentistry". Presentation "Temporomandibular joint treatment. The old and new methods of treatment". Kaunas, Lithuania.

11-10-2013/12-10-2013 Dentists society scientific conference "Modern Classic in dentistry". Presentation "Old challenges and new approach to the temporal mandibular joint therapy". Druskininkai, Lithuania.

05-10-2013 Course "Dental implantation and bone augmentation courses"

19-04-2013/20-04-2013 Event of the Odontologists' Chamber of the Republic of Lithuania "Innovations and Issues in dental practice. Presentation "Lateralisation of inferior alveolar nerve and placement of immediate implants". Palanga, Lithuania.

25-10-2012/27-10-2012 First International Conference of Eastern Europe "Interdisciplinary aspects of craniomandibular disorders". Presentation "Effects of occlusion on sleep quality. Effective obstructive sleep apnea treatment method". Kaunas, Lithuania.

07-09-2012/08-09-2012 Fourth International Baltic Osteointegration Congress (BOA). Presentation "Bony defect reconstruction using the xenogeneic and autologous bone". Kaunas, Lithuania.

01-06-2012/02-06-2012 International Congress of the Odontologists' Chamber of the Republic of Lithuania "Dentistry today and tomorrow." Presentation "Orthognathic Surgery. Effect of bytes to sleep quality – the aid against an early death." (Obstructive sleep apnea). Druskininkai, Lithuania.

12-05-2012 Scientific conference of the Baltic Osteointegration Academy (BOA) "Druskininkai 2012". Presentation "Bony defect reconstruction using the xenogeneic and autologous bone". Druskininkai, Lithuania.

20-04-2012/21-04-2012 Event of the Odontologists' Chamber of the Republic of Lithuania "Innovations and Issues in dental practice. Presentation "Resorbed bone tissue restoration: xenogeneic or autologous bone". Palanga, Lithuania.

28-01-2012 Šiauliai region conference of the Odontologists' Chamber of the Republic of Lithuania. Presentation „Effect of bytes to sleep quality“. Šiauliai, Lithuania.

10-12-2011 Event of the Odontologists' Chamber of the Republic of Lithuania "Innovations in dentistry". Presentation "Effects of bite on sleep quality". Kaunas, Lithuania.

29-10-2011 Event of the Odontologists' Chamber of the Republic of Lithuania "Innovations in dentistry". Presentation "Local anesthetic complications and solutions." Kaunas, Lithuania.

22-10-2011 Conference “Aesthetics, functionality and advanced technology in dentistry.” Presentation “Effect of bites to sleep quality – the aid against an early death.” Kaunas, Lithuania.

29-09-2011/01-10-2011 Third Baltic Osseointegration Congress. Presentation “Bony defect reconstruction using the xenogeneic and autologous bone”. Kaunas, Lithuania.

10-09-2010/11-09-2010 The Second International BOA Congress "New Achievements in Implant Dentistry", Presentation “Reconstruction of bone defects: xenogenous vs autogenous bone.” Kaunas, Lithuania.

07-05-2010 Kaunas University of Medicine, Maxillofacial Surgery and Lithuanian Society for Maxillofacial Surgery scientific-practical conference “Reconstructive Jaw Surgery”. Kernave, Lithuania.

10-10-2008 Report was delivered on “Various Reconstruction Methods of Atrophic Maxilla in Implantology” in the seminar for the dentists and oral care specialists.

06-09-2008 Conference “Oral Rehabilitation with Dental Implants” presentation “Complicated Conditions in Performing the Maxilla Sinus Lifting Operations” Kaunas, Lithuania.

20-04-2007 Scientific Practical Conference “Endodontics in Dentistry Practice” organized by the Association of Dentists presentation “Is Periapical Surgery an Alternative to Unsuccessful and Conservative Endodontic Treatment?”

25–26-2007 International Dentistry Congress lecture on Dental Implantation in Atrophic Maxilla. Druskininkai, Lithuania.

09-02-2007 Scientific Practical Conference “Application of Modern Technologies in Dentistry Practice” organized by the Lithuanian Dental Association presentation “Reconstruction of Atrophic Maxilla in Implantology”. Kaunas, Lithuania.

09-09-2010/10-09-2010 International Conference presentation on Implantation Possibilities of the Distal Section of the Maxilla. Kaunas, Lithuania.
